Atlanta Mandolin Society

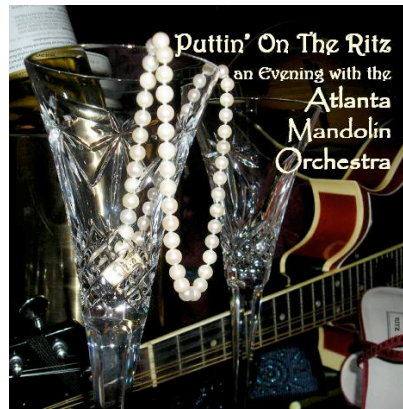

The Atlanta Mandolin Society, is a 501(c)3 non-profit corporation which was founded in 1994 by a dedicated group of mandolinists to further the interest in and performance of the mandolin family of instruments and mandolin music.

The Atlanta Mandolin Society continues this tradition through regional performances by the Atlanta Mandolin Orchestra that include discussions of the musical and cultural heritage of the mandolin family of instruments.

We sponsor concerts which brings leading mandolinists from across the United States and foreign countries.

We support and participate in the activities of the Classical Mandolin Society of America and the Atlanta Mandolin Society is a member of the Atlanta Coalition of the Performing Arts..

Mandolins in Atlanta

The Atlanta Mandolin Orchestra is proud to have revived the mandolin orchestra in Atlanta. For over thirty years, beginning in the early Twentieth Century, there was a very fine mandolin orchestra in Atlanta under the direction of William Griffith. Mr. Griffith a mandolin instructor, performer, conductor and instrument dealer operated in Midtown. Mr.Griffith created quite a rage for the mandolin during the first decades of the previous century and is fondly remembered by many.

The Atlanta Mandolin Orchestra is establishing it's own history!
